

Build a Secure Cyberspace 2024

“Together, We Create a Safe Cyberworld” Seminar and Tram Body Design Contest Award Ceremony

The development of the cyberworld has brought us convenience and given rise to a cyber living style. In recent years, scammers have been active in the cyberworld, launching attacks on citizens and companies without any physical interaction. Unwary users can easily fall into their traps, leading to financial loss or damage to a company’s reputation. In addition to maintaining vigilant and reminding each other, acquiring preventive skills can effectively help individuals and companies avoid becoming the next target.

In this connection, the Digital Policy Office (DPO), the Hong Kong Police Force (HKPF) and the Hong Kong Computer Emergency Response Team Coordination Centre (HKCERT) are co-organising the "Together, We Create a Safe Cyberworld" Seminar and Award Presentation Ceremony. In the seminar, cybersecurity experts will discuss how to prevent from falling into online traps in order to strengthen the public's ability to protect themselves. During the ceremony, awards will be presented to the winners of the Tram Body Design Contest, recognising their active participation in promoting cybersecurity and their outstanding designs.

You are cordially invited to join the event with details as follows:

- Date:** 7 September 2024 (Saturday)
