

**Build a Secure Cyberspace 2025**  
**“Let’s Secure as we Digitalise”**  
**Instant Messaging Apps Stickers Design Contest**

**About the Contest**

The “Let’s Secure as we Digitalise” Instant Messaging Apps Stickers Design Contest (“the Contest”) is jointly organised by the Digital Policy Office, the Hong Kong Police Force and the Hong Kong Computer Emergency Response Team Coordination Centre. This Contest aims to allow participants to understand the importance of cybersecurity through a fun and interactive way and to further raise public awareness of cybersecurity, hoping that a collaborative platform can be built to strengthen the city's ability to combat cyberattacks. We look forward to your participation!

**Eligibility**

The Contest is divided into three categories, namely Open, Secondary School and Primary School. Each participant can enrol to only one of the categories and shall submit only one entry. Participants shall agree and abide by all the rules and regulations of the Contest.

Category	
Open	Hong Kong residents
Secondary School	Secondary school students in Hong Kong
Primary School	Primary school students in Hong Kong

**Basic Specifications of Entries**

All entries must meet the following requirements:

- The Instant Messaging Apps Stickers must match the theme “Let’s Secure as we Digitalise” to deliver the message about cybersecurity to the public.
- Participants shall design a set of four pieces of stickers. The stickers shall be original and the four stickers must not be duplicated or taken from photos or selfie images.
- The stickers must be in colour. If the stickers include any text content, such content should be in Chinese and/or English.
- The stickers can be presented with various kinds of drawing tools, such as crayons, watercolour, coloured pencils, computer software or app, etc.

- If an entry is hand-drawn, it must be designed within the Stickers Design Frame in the application form ([https://www.cybersecurity.hk/contest-2025/application\\_form\\_en.pdf](https://www.cybersecurity.hk/contest-2025/application_form_en.pdf)).
  - The size of each of the stickers must be within 100 mm x 100 mm. They should not be folded when being submitted.
  - Participants may also scan their entry into electronic image files (resolution of at least 300 dpi and in PDF, PNG or JPG format) for [online submission](#).
- If an entry is produced using computer software, the design must be added to the Stickers Design Frame file downloaded from ([https://www.cybersecurity.hk/contest-2025/sticker\\_frame\\_en.ai](https://www.cybersecurity.hk/contest-2025/sticker_frame_en.ai)).
  - Each sticker must be within 800 x 800 pixels.
  - Participants are required to submit the raw file and image files of the four stickers [online](#).
  - The raw files of computer-software-produced entries must be in AI or PSD format. The resolution must be at least 300 dpi with CMYK four-colour process printing.
  - The image files must be in PDF, PNG or JPG format, resolution of at least 72 dpi and 16bit RGB.
- A title and a brief description (not more than 200 words) of an entry must be included in the application form.
